

HOW LONG will your COLD & FLU symptoms LAST?

- ▼ Fever and sore throat generally improve within 4 days
- ▼ Cough and nasal discharge may last 2 WEEKS or more

Ref: Durations of Symptoms in 139 Rhinovirus Colds - CDC (Center for Disease Control and Prevention), Gwaltney, JAMA 1967;202(6):494-500.

- ▼ Cold and Flu are caused by Viruses, NOT Bacteria
- ▼ Antibiotics do NOT work for Viruses

Relieve your symptoms with OTC products
